Folks – just a reminder that the Water portion of the OECA visit is **scheduled 2:30 to 3:15 pm today in the Allegheny Room.**

I have prepared a rough outline of topics that OECA wanted to hear about (attached). And OECEJ compiled the Talking Points from your prepared notes attached as well.

Since time is short and we need to address a number of OECA questions, please help us stay on point. Accomplishments, Significant issues we are facing, help from OECA are the main things to stress.

And thanks for all the work you do year-round to represent outstanding results in the enforcement program.

Jon
